Product Specification Sheet

Targus 15” Ladies Classic Carrying Case

Part #: TLT005

Product Description:

The Targus Ladies Classic Carrying Case is our stylish ladies carrying case made of a special woven fabric with contrasting stitching. This case is attractive and loaded with great features. For notebook protection, this case includes a padded slip case keeping your notebook safe and accessible. For convenience there are interior pockets for your cell phone, PDA, business cards, pens and files. A key clip keeps your keys in a safe, easy-to-find location, while the exterior pockets are perfect for airline tickets, or other items you need to get to quickly. Elegant, practical and organized, this case has it all so there is no need to carry an additional bag. Also includes a pink ribbon key chain.

Product Features and Specifications:

- Classic design with stylish contrast stitching and zipper closure
- Elegant external woven fabric
- As seen on GOOD MORNING AMERICA
- Fashionable interior lining
- Long carrying handles are perfect for carrying the case on the shoulder
- Stylish padded removable notebook slip case will hold notebooks with up to 15" screens (The case may be used without the slip case and will then hold widescreen notebooks with up to 15.4" screens)
- Interior storage options include cell phone & PDA pockets, business card holder, pen loops, file section and side zippered pocket for securing loose items
- Internal key clip holds your keys in a safe, easy-to-find location
- Exterior pockets on front and back provide quick access to airline tickets, change, etc.
- Metal feet protect the bottom of the case
- Each case includes a pink ribbon key chain to show that Targus is committed to breast cancer awareness
